

How to Find Your Vision Insurance Number with

1. Call EyeMed at 888.626.6334
2. When prompted by the recording, say that you need your member ID number
3. You will be asked for the last four of your Social Security Number and your full date of birth.
4. After a brief pause, the recording will ask you for your zip code.
5. The recording will provide your individual and group number. Have your pen ready. The numbers will go by fast, but you will be given the opportunity to hear them again.

For additional questions about your plan, to view a list of providers in your area, or learn more about available benefits, visit the [SOSD EyeMed Member Website](#).
