- Proof of loss must be provided to us not later than 90 days after the date of the loss. If this time frame is not met, the delay will not cause a claim to be denied or reduced if proof is given as soon as is reasonably possible, but in no event, other than in the

absence of the legal capacity of the claimant, later than 15 months from the date proof of the loss is required.

The following information affects claims payment for a dependent child:

- In accordance with Texas law, benefits under the Certificate may be paid on behalf of a dependent child to a possessory or managing conservator for the dependent child (who is not a member of an eligible class) if such a conservator has been appointed by a court in Texas or another state. A possessory or managing conservator is entitled to be paid benefits under this section if we are provided with the following:
 - written notice that the person is a possessory or managing conservator for the dependent child on whose behalf the claim is made; and

BENEFITS PROVIDED ARE SUPPLEMENTAL AND ARE NOT INTENDED TO COVER ALL MEDICAL EXPENSES. YOU SHOULD HAVE MAJOR MEDICAL INSURANCE WHEN YOU ENROLL FOR THIS COVERAGE.

BENEFIT AMOUNTS ARE NOT BASED ON ANY MEDICAL EXPENSES INCURRED.

THE CERTIFICATE DOES NOT PROVIDE MEDICARE SUPPLEMENT COVERAGE – IF YOU ARE ELIGIBLE FOR MEDICARE, REVIEW THE GUIDE TO HEALTH INSURANCE FOR PEOPLE WITH MEDICARE AVAILABLE FROM METLIFE.

OUTLINE OF COVERAGE

- (1)** This coverage is designed only as a supplement to a comprehensive health insurance policy and should not be purchased unless you have this underlying coverage. - (2) Read Your Certificate Carefully.** This outline of coverage provides a very brief description of the important features of coverage. This is not the insurance contract and only the actual provisions of the Group Policy and Certificate will control. The Certificate sets forth in detail the rights and obligations of both You and MetLife with respect to the coverage. It is, therefore, important that You READ YOUR CERTIFICATE CAREFULLY!
- (3)** Critical Illness coverage is designed to provide, to persons insured, restricted coverage paying benefits as a lump sum ONLY when certain losses occur as a result of certain specified diseases. Coverage is not provided for basic hospital, basic medical-surgical, or major medical expenses.
- (4)** Benefits

Throughout this outline, “you” and “your” refer to the employee who becomes insured for critical illness insurance coverage. The term “covered person” refers to a person for whom insurance is in effect under the Certificate.

Please be aware that the Certificate contains specific definitions, conditions, maximums, limitations, exclusions and proof requirements for the benefits described below.

You should retain a copy of this outline of coverage with your Certificate.

Please be advised that the Certificate may contain provisions that are different than the provisions required by the state in which you reside on your initial effective date of insurance. This outline of coverage describes some of those differences but if you have specific questions about the provisions that apply in your state, please contact MetLife at the telephone number set forth on the Certificate. Please be advised that claims will be adjudicated based on the provisions that apply to your state of residence as of your initial coverage effective date.

ADDITIONAL COVERAGE INFORMATION FOR RESIDENTS OF UTAH:

The following information affects dependent definitions and dependent eligibility requirements:

- The “For Mentally or Physically Handicapped Children” provision in the Certificate does not apply since disabled children who exceed the dependent child age limit are eligible from the beginning of coverage.

The following information affects definitions of facilities:

- A hospital will be defined no more restrictively than a short-term, acute care, general facility that is duly licensed as a hospital by the agency responsible for such licensing.

The following information affects exclusions:

- There are differences between the exclusions that apply to your state of residence and the exclusions that appear in the Certificate. This outline of coverage reflects the exclusions that apply in your state.

The following information affects continuation of insurance under your Certificate:

Continuation Under State Law is available to you as described below:

Qualifying Event means any of the following that would cause insurance under the Certificate to end:

- the end of your employment with your employer, including voluntary or involuntary termination, or your retirement;
- your disability that results in your employment temporarily or permanently ending;
- a reduction of the number of hours that you work for your employer;
- your leave of absence from your employer, including sabbatical;
- with respect to dependent insurance, a change in status that causes a dependent to no longer qualify as a "Dependent" as defined in the Certificate;
- with respect to dependent insurance, your divorce or legal separation; or
- with respect to dependent insurance, your death.

Insurance provided under the Certificate may be continued with premium payment under state law if a Qualifying Event occurs ("State Required Continued Insurance") unless:

- insurance under the Group Policy ends for all employees;
- insurance under the Group Policy ends for the class of employees to which you belong;
- you become covered under another group policy that provides similar coverage to the coverage described in the Certificate, without application of a preexisting conditions exclusion or limitation;
- your insurance ends because you failed to pay a required premium when due;
- your insurance ends because you performed an act or practice that constitutes fraud in connection with the insurance provided by the Certificate;
- your insurance ends because you made an intentional misrepresentation of material fact in connection with the insurance provided by the Certificate;
- your employment ends due to your gross misconduct; or
- on the date of the Qualifying Event, you have not been continuously insured under the Group Policy for at least three consecutive months.

Your employer shall send written notice of the right to continue insurance under this provision, the payment amounts required for continued coverage, and the manner, place and time in which such payments must be made. Your employer shall send such written notice via first class mail to:

- you at your home address as shown in the records of your employer;
- your ex-spouse at the home address of your ex-spouse if the Qualifying Event is your divorce or legal separation and such address is shown in the records of your employer; or
- your surviving spouse and the guardian of any dependents, if the Qualifying Event is your death, in which case your employer shall send such notice to your surviving spouse's home address, if different from yours and if shown in the records of your employer, and to the home address of the guardian of any dependents, if different from yours and if shown in the records of your employer.

If your employer fails to provide the written notice described above within 30 days after the Qualifying Event, a person entitled to continuation under this provision may contact us directly within 60 days after the Qualifying Event for information regarding the right to continue insurance, the payment amounts required for continued coverage, and the manner, place and time in which such payments must be made.

The premium that you, your ex-spouse if there has been a divorce or legal separation, or your dependents if you are not living, must pay for State Required Continued Insurance may include the amount, if any, that you previously contributed for insurance under the Certificate, plus any amount your employer contributed. To obtain State Required Continued Insurance you, your ex-spouse if there has been a divorce or legal separation, or your dependents if you are not living, must send a written request for State Required Continued Insurance and pay the first premium due no later than 60 days after the date of the Qualifying Event.

If you, your ex-spouse if there has been a divorce or legal separation, or your dependents if you are not living, fail to make a written request for State Required Continued Insurance and pay the first premium by the 60th day after the Qualifying Event, or if we do not receive the first premium due before the end of the grace period provided in the Group Policy, the right to State Required Continued Insurance will end.

State Required Continued Insurance will continue for all covered persons for a period of 366 days, beginning on the date of the Qualifying Event, and ending at 11:59 p.m. eastern standard time on the 366th day, ("366 day period") unless one of the following events occurs sooner, in which case, State Required Continued Insurance will end before the expiration of the 366 day period for one or more covered persons as indicated below, on the earliest of the following dates:

- for all covered persons, on the date insurance ends under the Group Policy for all employees;
- for persons covered by dependent insurance, the date dependent insurance ends under the Group Policy for all employees;
- for all covered persons, the date insurance ends under the Group Policy for the class of employees to which You belong;
- for persons covered by dependent insurance, the date dependent insurance ends under the Group Policy for the class of employees to which you belong;
- for any covered person, the date insurance takes effect for such person under another continuation option described in the Certificate if the other continuation option is expected to provide continued insurance for at least 366 days;
- for all covered persons, the last day of the grace period provided in the Group Policy if we do not receive a premium due for State Required Continued Insurance before the end of the grace period provided in the Group Policy;
- for any covered person, the date such person becomes eligible for coverage under another group policy providing coverage that is similar to the coverage provided under the Certificate;

- for each covered person, the date such person performs an act or practice that constitutes fraud in connection with the insurance provided by the Certificate; and
- for any covered person, the date such person makes an intentional misrepresentation of material fact in connection with the insurance provided by the Certificate.

The following information affects claims requirements:

- If notice of claim or proof of loss is not given in accordance with time frames set forth in the Certificate, the delay will not cause a claim to be denied or reduced if notice and proof are given as soon as is reasonably possible. Failure to give notice does not bar recovery under the Group Policy if the insurer fails to show that it was prejudiced by the failure.

The “Benefit Amount” is the amount that you elect during enrollment and that we use to determine the Benefit Amount payable for a covered condition. The Benefit Amount applicable to your covered dependents may vary from the amount you elect.

The “Initial Benefit” is the benefit that is payable the first time that a covered condition occurs, as defined in the benefit provision applicable to the specific covered condition, while coverage is in effect under the Certificate and subject to the terms and conditions of the Certificate.

The Certificate will specify the number of times a benefit is payable for each covered condition per covered person.

OUTLINE OF COVERAGE

- (1)** This coverage is designed only as a supplement to a comprehensive health insurance policy and should not be purchased unless you have this underlying coverage. Persons covered under Medicaid should not purchase it. Read the Buyer's Guide to Specified Disease Insurance to review the possible limits on benefits in this type of coverage.
- (2) Read Your Certificate Carefully.** This outline of coverage provides a very brief description of the important features of coverage. This is not the insurance contract and only the actual provisions of the Group Policy and Certificate will control. The Certificate sets forth in detail the rights and obligations of both You and MetLife with respect to the coverage. It is, therefore, important that You READ YOUR CERTIFICATE CAREFULLY!
- (3)** Critical Illness coverage is designed to provide, to persons insured, restricted coverage paying benefits as a lump sum ONLY when certain losses occur as a result of certain specified diseases. Coverage is not provided for basic hospital, basic medical-surgical, or major medical expenses.
- (4)** Benefits

Throughout this outline, “you” and “your” refer to the employee who becomes insured for critical illness insurance coverage. The term “covered person” refers to a person for whom insurance is in effect under the Certificate.

You should retain a copy of this outline of coverage with your Certificate.

The plan design selected by your employer will be reflected in the Certificate that we will provide to you. That Certificate is part of the Group Policy and reflects the requirements of the state where the Group Policy is delivered. Please be advised that the Certificate may contain provisions that are different than the provisions required by the state in which you reside on your initial effective date of insurance. This outline of coverage describes some of those differences but if you have specific questions about the provisions that apply in your state, please contact MetLife at the telephone number set forth on the Certificate. Please be advised that claims will be adjudicated based on the provisions that apply to your state of residence as of your initial coverage effective date.

The “Benefit Amount” is the amount that you elect during enrollment and that we use to determine the Benefit Amount payable for a covered condition. The Benefit Amount applicable to your covered dependents may vary from the amount you elect.

The “Initial Benefit” is the benefit that is payable the first time that a covered condition occurs, as defined in the benefit provision applicable to the specific covered condition, while coverage is in effect under the Certificate and subject to the terms and conditions of the Certificate.
