

What is the Hinge Health Pelvic Floor Program?

Personalized, virtual physical therapy and more developed for women* by pelvic floor physical therapists. Reduce pain and discomfort with quick exercises you can do from home.

Is this program right for me?

If you're experiencing common, but frustrating, pelvic floor issues such as leaks and pain, Hinge Health is right for you, at any age and life stage.

What symptoms does this help with?

Pelvic floor disorders can happen at any age. Our pelvic floor program helps reduce pain and build muscle so you can find relief.

- Pregnancy and postpartum — prevent pain and rebuild abdominal muscles.
- Bladder control — reduce urgent trips to the bathroom along with that “always gotta go” feeling.
- Pelvic muscle relaxation and control — retrain your pelvic floor to reduce tension and relieve pain.
- Pelvic muscle strengthening — build your core muscles.

*People assigned female at birth.

What does the program include?

- Anytime access to virtual physical therapy and more.
- Convenient exercise and meditation sessions you can do from anywhere with the Hinge Health app.
- 1:1 support from a care team including pelvic floor physical therapists and a health coach.

How much does the program cost?

Hinge Health is available to eligible employees and your covered spouse/dependents (aged 18+) at no cost.

Who is eligible for Hinge Health?

Hinge Health is now covered by the health plan, which means you and your covered spouse/dependents (aged 18+) are now eligible to join.
