

Is My Doctor in Network?

To find a doctor or hospital within Wellmark's network:

1. Go to Wellmark.com
2. Click on the link "Find a Provider" at the bottom of the page.
3. Enter a location by entering either the Address and City or the Zip Code.
4. Enter the three letters "ZYH" for the prefix, then begin your search by either the Doctors Name, Doctors by Specialty, Places by Name, or Places by type of Provider.
